SPECIAL MEETING MINUTES OF WEDNESDAY, June 15, 2016
3 PM – Engineering Conference Room

1. Roll Call

Present: Robert Shipman, Della Winans, Linda DeGroff, Donald Reid, Mark Babineau, Jarrod Sansoucy and Greg Foran, Parks and Recreation

Excused: Donald Reid and Debra DeVries-Dalton

2. HEBRON AVENUE/NEW LONDON TURNPIKE ROUNDABOUT – landscaping – Heidi Haina, Freeman Companies – Joe Balskus, CDM Smith – Stephen Braun, Assistant Town Engineer

Plan was approved with the following changes: Where plan shows English Oaks, consider changing to Hornbeam ‘Columnaris’, Fastigate Beech ‘Dawyckii’, Fastigate or Columnar Ginkgo, or even continuing to use English Oak. Change Red Maples to two species keeping Red Maple along Hebron Avenue and using Sweetgum along New London Turnpike. Do not utilize perennials along outer circles on private property as originally proposed. Instead change to strong shrubs that will take abuse or leave as grassy lawns. Strongly urge that water access on all five islands be installed.

The motion was made by Jarrod Sansoucy, seconded by Mark Babineau and passed unanimously.

The meeting adjourned at approximately 4:05pm.

Respectfully Submitted,

Gregory A. Foran
Parks Superintendent
